

Parent Voice

Karla J

Greasley Beauvale is the most welcoming, warm and wonderful place for my children to learn and thrive. Their ethos of bringing everyone along and leaving no one behind is a true testament to the positive atmosphere that is created by all staff and students.

Anonymous

It is a safe place where the staff care about my children. Children are well cared for and nurtured to enable them to grow in confidence and enjoy their journey at Greasley Beauvale

Helen W

Greasley Beauvale has always gone above and beyond to support our Children. The feeling amongst Children, Parents and Staff at Greasley is one of Proud. Everyone works so hard together to keep delivering the best for the Children and Families in the Greasley Beauvale School Community. We feel lucky to have been able to send our Children to Greasley Beauvale.

Martine W

Making a decision about where your child goes to school can be an anxious and daunting process, but so far all of the staff at Greasley Beauvale Primary have been really welcoming and supportive as we have prepared for our children to start in reception this year.
