

RE: What is it like for someone to follow God?

God made a promise to Noah.

God made a promise to Abraham.

In a wedding ceremony, **Christians** also make a **promise** to love and care for each other.

They make these **promises** in front of God which is also a **covenant**, just like the ones God made with **Noah** and **Abraham**.

Prophets	A person who is believed to be chosen by God to deliver messages to others.	Righteous	Something that is good with God.
Abram	The Prophet who made a covenant with God who is later called Abraham.	Christians	Religious people who believe Jesus is the Son of God who came to save them
Noah	The prophet who was told to build an Ark by God and who made a covenant with God.	Wedding	A ceremony when a couple make promises to be married and promises to God.
Promise	When you agree to definitely do something.	Old Testament	The first 39 books of the Bible which tell about Creation and God's covenant with his people.
Covenant	A promise made between God and his chosen people.
