

RE – How do Christians live? What would Jesus do?

Gospel	This literally means 'good news' but also the title of the four books of the bible that tell the story of the life of Jesus	Matthew	One of the three gospels which are similar in the New Testament	Leprosy	A bacterial infection that damages the nerves
Theology	The study of God and religious belief, or a set of beliefs	Mark	One of the three gospels which are similar in the New Testament	Christlike	Becoming more like Jesus in how people act
Luke	One of the three gospels which are similar in the New Testament	Interpretation	A way of explaining one meaning of something	Parables	A story Jesus told that has a special meaning

Three of the gospels are similar, these are the Gospels of **Matthew**, **Mark** and **Luke**. They wrote about the life of Jesus using eyewitness accounts. The Gospel of John is very different to the other three. People who study **theology** look at the **interpretation** or meaning of what these four wrote.

The gospels contain the **parables** that Jesus told and how he told people to live known as **commandments**. The gospels contain the two great commandments of Jesus that tell Christians how to live. He also gave The Sermon on the Mount to tell people how to live.

Jesus would show that the good news was for everyone including those people in society many did not like. An example of this was Jesus healing people with **leprosy**, a disease that people were scared of.
