

### **Our Vision:**

At Greasley Beauvale Primary and Nursery School, our vision is for everyone to reach their full potential, nurture their talents and foster a personal love of learning, which promotes the best outcomes for the individual. We also strive to be healthy and happy, championing physical, emotional and mental wellbeing.

As a Thinking School, our approaches and curriculum encourage everyone to become independent, reflective, and creative thinkers who actively engage in their learning. By embedding the principles of Thinking Schools, we foster a culture of inquiry, resilience, and problem-solving. In turn, this enables children to develop critical thinking skills, metacognitive awareness, and a growth mindset. Through structured thinking tools, collaborative learning, and mindful strategies, we empower everyone to approach challenges with confidence, persistence, and a lifelong love for learning.

### **Our Aims:**

- To be motivated, independent and confident human beings, who **remain open to continuous learning**
- To **think about our thinking** and being aware of our own thoughts, strategies, feelings and actions
- To set ourselves high aspirations and **strive for accuracy** so that we can be the very best we can be
  - To think back and **apply past knowledge to new situations**
  - To **create, imagine and innovate** to generate possibilities and new ideas
- To use **our senses** to be curious about the world around us by **gathering new information**
- To **think flexibly** and challenge ourselves in our journey to reach our full potential
  - To **persist** with our learning, be resilient and **take responsible risks**
- To **think and communicate with clarity and precision** so we are clear and understood in our learning and relationships with others
- To **think and work collaboratively** in an environment where teamwork enables us to learn from each other
  - To **manage impulsivity**, take our time, **find time for humour** and remain calm and thoughtful
  - To ensure we are always **listening with understanding and empathy**, being respectful and showing kindness

### **Our Rainbow Values:**

- Respect and acceptance – “Being ready, respectful and safe in everything we do”**
- Active body and active mind – “Take ownership over our physical and mental wellbeing”**
- Inclusive yet individual – “Embrace diversity and be proud of who we are”**
- Nurture, develop and grow – “Take responsible risks with our talents and potential”**
- Believe in yourself – “Be brave and confident in our choices”**
- Overcome your obstacles – “Think flexibly, show resilience and persist”**
- Wonder and curiosity – “Questioning, problem posing and using awe and wonder”**

**At Greasley Beauvale Primary and Nursery School, we... Learn. Grow. Succeed.**
